I always thought I had to earn my way to heaven through works. I learned at Grace that the Lord did it all on the cross for me. That Through what Jesus did for me on the cross is my salvation. All I need to do is believe and trust in Him. He did it All. I been going to Grace Church 3 years. I love that I have awesome prayer warriors who keep me in prayer when I tell them my prayer requests and the Lord always answers on His timing! I have received healing and answered prayers! Amen! Love Pastor And Sister Cummings! Sweet beautiful people! M

As suicidal alcoholic veteran who always thought God was looking the other way when all my mates were being killed in the war all around me, I never cared much about church or religion, thinking it was all Aesop's fables and that if there was a god, he wouldn't allow the evil that I've seen. Then... After trying to make my brother happy by accepting his invitation to Grace church in Cameron, my life has changed in so many wonderful ways. I was never looking for Christ and found out from the teaching at Grace that Jesus had already found me and was just waiting for me to listen and understand what he had done for all of us on the cross.

I was never looking for a relationship, but after cleaning up my life and seeing the good in people, I couldn't help but fall hard for the smile that welcomed me into the Grace church one Sunday service. I was so hooked by this lady and the positive energy she shared with everyone, I knew I wanted to be with her for the rest of my life.

I have never really believed in marriage, but after meeting my Texas girl, and committing my life to her, I asked the Grace church Pastor Glynn to conduct the marriage service for us. (and that has been almost 10 happy years now)

This church has been my family's home for over 10 years. The teachings at Grace has helped us to realize that Jesus loved us enough to die for us and that has changed our heart and lives.

This church family has been with us through many situations and we have overcome several obstacles with the help of our Pastor and Associate Pastor. We have the best Pastor, Pastor's wife and Associate Pastor.

I pray that God blesses them as they spend so much time and energy leading and supporting us when we need it. V
